LAKELAND LEISURE ESTATES

Description

Embark on a journey of elegance and tranquillity aboard Beck's, an exquisite vessel designed to elevate the art of cruising. Crafted with meticulous attention to detail by Coulter Boatbuilders in 2021, Beck's is a testament to the fusion of classic charm and modern convenience, creating an unparalleled experience on the water.

Upon stepping aboard Beck's, you're immediately enveloped by the warmth and charm that defines its character. The exterior boasts sleek, clean lines that blend harmoniously with traditional nautical elements. The combination of contemporary design and rustic cottage aesthetics is evident in every detail, from the polished wooden doors to the thoughtfully chosen accents that reflect timeless elegance.

The interior's cream palette exudes sophistication and serenity, creating a calming ambiance that invites relaxation. Sunlight filters through large windows, illuminating the meticulously crafted details and highlighting the craftsmanship that went into every corner of the boat.

Inside Beck's, the saloon is a welcoming retreat where comfort meets style. A 3-seater sofa invites you to sink in and unwind, while the solid fuel stove casts a warm, inviting glow that enhances the cosy atmosphere. Underfoot, the luxurious underfloor heating ensures a comfortable climate year-round, making Beck's an ideal haven in any season. The saloon's focal point, the reclaimed timber-lined steel doors, opens onto an expansive well deck, offering panoramic views and a seamless connection to the surrounding nature.

The gourmet kitchen, a masterpiece of design and functionality, is a chef's delight. The Belfast sink adds a touch of traditional elegance, complemented by new solid wood worktops that provide ample space for meal preparation. A full-size, free-standing cooker allows for culinary creativity, while the fridge with a freezer box ensures that ingredients stay fresh. A brand-new washing machine adds modern convenience, making life on board even more effortless. Ample storage cupboards and drawers keep everything organised and within reach, making the galley as practical as it is beautiful.

The dinette area has been upgraded with a brand-new solid wood worktop, creating an even more stylish and inviting dining space. Along with two breakfast bar stools, this charming spot is perfect for casual dining, enjoying a morning coffee, or gathering with friends and family as conversations flow as smoothly as the river beneath you.

The Boatman's cabin is cleverly designed to maximise space and functionality. It has been converted into two cosy child's single beds or bench seats, providing flexibility for accommodation or extra seating. Ample storage solutions ensure that personal belongings are neatly tucked away, keeping the cabin uncluttered and inviting.

The master bedroom is a sanctuary of relaxation and luxury. The full-size double bed promises restful nights, enveloping you in comfort with its plush bedding and elegant design. A large wardrobe provides generous storage space for clothing and personal items, while additional storage solutions ensure that everything has its place, maintaining the room's serene and uncluttered atmosphere.

The bathroom aboard Beck's is a spa-like retreat, designed for indulgence and relaxation. An extra-large bath with a shower overhead offers a place to unwind and rejuvenate, while the macerator pump-out toilet and washbasin with a vanity unit provide modern convenience. Thoughtfully designed storage solutions ensure that all essentials are easily accessible, enhancing the bathroom's functionality and aesthetic appeal.

Beyond her beauty, Beck's is a marvel of engineering excellence. Recently "repowered" with a modern Beta 50hp engine which provides reliable power, ensuring a smooth and efficient cruising experience. Equipped with Victron electrics and solar panels, Beck's seamlessly integrates modern technology with traditional craftsmanship, offering a self-sustaining and environmentally conscious journey.

With every comfort provided, Beck's ensures that every moment aboard is pure bliss. Whether you are seeking relaxation or adventure, this vessel offers the perfect balance of elegance, comfort, and efficiency. The tranquil beauty of the waterways becomes an ever-changing backdrop to your journey, with Beck's as your luxurious home away from home.
