BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Soporific Dreams, a striking 60ft widebeam crafted to deliver the ultimate river or canal cruising experience. Built with quality and attention to detail by Collingwood Boat Builders and expertly fitted out by owner Garry McGougle, this spacious vessel combines traditional craftsmanship with modern comfort. With its reverse layout, Soporific Dreams is designed to maximise social space, convenience, and luxury, making it an ideal choice for extended trips or relaxed waterside living.

Beginning at the stern, Soporific Dreams features an expansive social area with fitted seating and tables, perfect for gatherings with friends or enjoying peaceful moments under the fitted pram cover. As you step inside, you're greeted by the warmth and beauty of oak flooring throughout, which enhances the welcoming galley and lounge area at the heart of the boat. Moving further in, the boat transitions into a private, well-thought-out living space with two comfortable bedrooms and a stylish bathroom, leading to a tranquil bow area with steps for easy outdoor access.

The galley is a chef's delight, outfitted with a high-quality gas oven, a 5-ring hob, and generous work surfaces made from rich wood that bring warmth and character to the space. Below, you'll find plenty of under-counter cupboards and a range of wall-mounted cabinets with additional shelving for easy access to essentials. Fully equipped with a washer/dryer, integrated fridge, and a large freezer, this kitchen offers all the conveniences you'd find on land, ensuring seamless living and dining on the water.

A haven of comfort, the lounge invites you to unwind with a large sofa bed and armchair, perfect for cosy evenings. The oak flooring extends into this space, adding a touch of elegance and continuity. An expansive, built-in entertainment unit houses ample storage in both cupboards and display shelves. The centerpiece is a multi-fuel stove that provides warmth and ambiance on cooler evenings, adding to the room's inviting, homely feel. This space is designed for both relaxation and socialising, making it ideal for reading, hosting, or simply soaking in the view.

At the bow of the boat, the master bedroom provides a serene, private retreat. It boasts a spacious double bed with under-bed storage, flanked by two bedside tables and two double fitted wardrobes, ensuring all your belongings have a dedicated space. Unique under-floor storage adds an additional layer of practicality. Large double doors open to the bow area, allowing natural light to fill the room and providing access to steps leading outdoors, perfect for morning coffee or quiet contemplation by the water.

The second bedroom is designed with functionality and comfort in mind, featuring a single bed with generous under-bed storage. Fitted units provide additional storage, making it an ideal space for guests, family, or even as an office or hobby room. The oak flooring continues here, maintaining the vessel's sense of warmth and unity. It's a cosy yet practical area that can adapt to various needs.

The bathroom is a blend of modern convenience and style. It includes a pump-out toilet, a beautifully tiled quadrant shower, and a sink set within a stylish vanity unit, offering both form and function. A heated towel rail adds a touch of luxury, ensuring warm, dry towels for a spa-like experience on the water.

Perfectly suited for luxurious weekend getaways or even full-time living, Soporific Dreams provides a blend of beauty, comfort, and functionality rarely found on the water. With oak flooring throughout, this stunning vessel offers an added touch of sophistication, ensuring every step aboard feels like home.
